Alcoholics Anonymous AREA 82-DISTRICT 17 NEWSLETTER **MAY 2018**

Tradition 5 - "Each group has but one primary purpose—to carry its message to the alcoholic who still suffers."

"SHOEMAKER, stick to thy last!" ...better do one thing supremely well than many badly. That is the central theme of this Tradition.

Bridging the Gap Program

Please contact Paul B. - 902-690-7053

One of the more "slippery" places in the journey to sobriety is between the door of the facility and the nearest A.A. group or meeting. Let's not have any of us fall through the cracks.

PI/CPC Program

Public Information (P.I.) in Alcoholics Anonymous means carrying the message of recovery to the still-suffering alcoholic by informing the general public about the A.A. program.

Members of C.P.C. committees inform professionals and future professionals about A.A.— what we are, where we are, what we can do, and what we cannot do.

Corrections Correspondence Service in Canada (CCS)

A HELPING HAND FOR OUR CONFINED FRIENDS

This invaluable 12 step service, sponsorship through the mail, connects our confined friends behind the walls with outside members. CCS allows our confined members access to the program, insuring the hand of AA is always there. Much talk has been done with little action. Do all of our confined friends know this service exists? Have we done all that we can to carry the message?

WHAT WE CANNOT DO ALONE....WE CAN DO TOGETHER
For more information on the implementation of CCS in your AREA,

Concept V

Throughout our world services structure, a traditional "Right of Appeal" ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered. Newcomers to A.A.'s General Service Conference are often surprised at the pains taken by the presiding officer to make sure the minority has a second opportunity to present its views. Even after extensive debate on an issue, followed by a vote in which a "substantial unanimity" is reached, those opposed are polled individually to see if they wish to speak further to their minority view. In fact, numerous instances can be cited in which this minority view is so compelling the Conference has then reversed itself.
